TAMKO's obligation is not prorated and includes the reasonable cost of labor. The length of the Full Start Period is listed in Table 1.

"High Wind Application" means application of Heritage, Heritage IR, Heritage Woodgate, Heritage Premium and Heritage Vintage Shingles in strict accordance with application instructions printed on the wrapper with the Shingles installed with six (6) fasteners in the locations specified for high wind application, and using TAMKO starter shingles at eaves and rakes. See local building codes for additional nailing requirements. If High Wind Application requirements are not followed, the Standard Application Wind Warranty (as set forth below) wind velocity applies.

"Labor Payment Certificate" means a certificate issued by TAMKO that may be redeemed to pay some or all of the reasonable cost of labor for roof repairs, cleaning algae from the roof, or replacement of any defective Shingles according to this Limited Warranty.

"Material Certificate" means a certificate issued by TAMKO and redeemable at participating distributors for a stated quantity of replacement shingles of the same type and color as the defective Shingles which are to be replaced. If shingles of the same type or color are no longer available, the Material Certificate will be for the closest TAMKO substitute available. Replacement shingles may not match the original shingles due to many factors, including but not limited to, normal weathering and manufacturing conditions.

"Maximum Obligation" means the obligation of TAMKO described in the paragraphs titled "TAMKO Full Start Period" and "After the Full Start Period," whichever is applicable.

"Owner" means the owner of the building at the time the Shingles are installed on that building. If you purchase a new residence and are the first person to occupy the residence after its construction, TAMKO will consider you to be the Owner even though the Shingles were already installed.

"Purchaser" means someone who purchases from the Owner the building upon which the Shingles are installed, but only if the purchase occurs within the first five (5) years for Heritage, Heritage IR, Heritage Woodgate, Heritage Premium and Heritage Vintage Shingles or within the first two (2) years for Elite Glass-Seal and Glass-Seal Shingles and the Owner and Purchaser comply with the requirements in this Limited Warranty in the section labeled "Transferability."

"Sales Square" means 98.4 square feet for Heritage, Heritage IR, Heritage Woodgate and Heritage Premium shingles produced in Tuscaloosa AL, Dallas TX, Phillipsburg KS, or Joplin MO and metric sized Heritage shingles produced in Frederick MD. "Sales Square" means 98.5 square feet for standard size Heritage and Heritage Woodgate, and 100 square feet for standard size Heritage Premium shingles produced in Frederick MD. "Sales Square" means 100 square feet for Heritage Vintage shingles produced in Phillipsburg KS. "Sales Square" means 100 square feet for Elite-Glass Seal and Glass-Seal shingles produced in Frederick MD, Tuscaloosa AL, and Joplin MO.

"Shingles" means the TAMKO shingles identified in this Limited Warranty which were installed on a building owned by the Owner.

"TAMKO" means TAMKO Building Products, Inc.

"Term" means the period of time this Limited Warranty lasts. The Term begins on the date of retail purchase of the Shingles and continues, unless sooner terminated, for the number of months set forth in Table 1.

TAMKO Full Start Period: If, during the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO will provide the Owner with a Material Certificate for replacement shingles to repair or replace such defective Shingles (or, at TAMKO's option, the reasonable cost of replacement shingles) and a Labor Payment Certificate that may be used to pay the reasonable cost of installing such replacement shingles, according to the terms of this Limited Warranty. This is TAMKO's Maximum Obligation during the Full Start Period.

After the Full Start Period: If, after the end of the Full Start Period, Shingles that have been installed in strict accordance with the application instructions printed on the wrapper are determined to have manufacturing defects which have directly caused leaks, TAMKO's obligation is limited to providing the Owner with a Material Certificate for replacement shingles to repair or replace such defective Shingles or, at TAMKO's option, the reasonable cost of replacement shingles. The reasonable cost of replacement shingles and the quantity of such replacement shingles will be prorated over the life of this Limited Warranty. This is TAMKO's Maximum Obligation after the Full Start Period. TAMKO is not responsible for any cost of labor after the Full Start Period. Proration shall be determined by dividing the number of months remaining in the Term by the total number of months of the Term. For example, if TAMKO is notified of a warranty claim at a time when 100 months remain in a 300 month warranty Term, TAMKO's Maximum Obligation is to provide a Material Certificate for one third of the replacement shingles or, at TAMKO's option, payment of one third of the reasonable cost of replacement shingles. The remaining cost shall be the responsibility of the Owner.

Both during and after the Full Start Period, the extent of replacement is at the sole discretion of TAMKO. TAMKO is not responsible for the cost of any materials other than the replacement shingles (as provided herein) including, but without limitation, underlayment, flashings, metal work, etc. TAMKO is not responsible for the cost of tear-off, removing or disposing of Shingles which are to be replaced. TAMKO reserves the right to arrange directly for your Shingles to be repaired, replaced or cleaned. The remedy under this Limited Warranty is available only for Shingles actually exhibiting manufacturing defects at the time the claim is settled. Replacement shingles will be warranted only for the remainder of the original Term. Tender of TAMKO's Maximum Obligation shall extinguish all obligations of TAMKO under this Limited Warranty and all applicable implied warranties and conditions.

Notification to TAMKO: The Owner must notify TAMKO by telephone at 800-441-7190 or certified mail at P.O. Box 1404, Joplin, Missouri 64802-1404 of any claims under this Limited Warranty within thirty (30) days following discovery of the potential problem with the Shingles. The notice must include documentary proof of Purchase. Failure of the Owner to notify TAMKO as provided herein shall extinguish all obligations of TAMKO under this Limited Warranty and all applicable implied warranties and conditions. NOTE: Notice to your contractor, dealer, or home builder is NOT notice to TAMKO. You should keep this Limited Warranty for your records in the event you need to file a claim.

Right of Inspection and Time for Payment: TAMKO shall have a reasonable time after notification of a claim to inspect the Shingles. The Owner shall provide TAMKO with reasonable access to the Shingles for

purposes of inspection. If requested by TAMKO, the Owner must complete and deliver to TAMKO, at the Owner's expense, a warranty questionnaire, photographs of the roof and samples of the Shingles. If reasonable access is denied or made subject to unreasonable conditions by the Owner, or if the Owner fails or refuses to cooperate in TAMKO's investigation of the complaint (such as by failing to provide sample Shingles or photographs or a completed warranty questionnaire), TAMKO's obligation under this Limited Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited Warranty, TAMKO will have a reasonable time after the inspection of the Shingles to process the Owner's claim. Unless authorized in writing by TAMKO, any claim for Shingles that have been replaced or repaired prior to resolution of your claim by TAMKO may be denied.

120 Month Algae Relief - Algae Cleaning Limited Warranty: If, during the initial 120 months of the Term, Shingles designated with the Algae Relief feature, (see designated products under definition of "Algae Relief") become significantly stained by certain algae growth, including blue-green algae, TAMKO will issue to the Owner a Labor Payment Certificate that may be used to pay the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of \$15 per Sales Square). After the initial twelve months of the Term, the Labor Payment Certificate for the reasonable cost of cleaning will be prorated over the remaining 108 months of this Algae Cleaning Limited Warranty. The remaining cost shall be the responsibility of the Owner. TAMKO may, at its option, provide a Material Certificate for replacement shingles (or a prorated portion of the replacement shingles) for Shingles exhibiting stains. This is TAMKO's Maximum Obligation under the Algae Cleaning Limited Warranty. TAMKO shall have no obligation or responsibility for cleaning Shingles: (a) after the initial 120 months of the Term, (b) at any time for Shingles that do not have the Algae Relief feature, or (c) Shingles not significantly stained by algae growth.

Limited Wind Warranty: The Shingles are also covered by a Limited Wind Warranty against damage from wind up to the designated wind velocity identified in Table 1. This Limited Wind Warranty applies only if: (a) the Shingles were installed in strict accordance with application instructions printed on the wrapper and (b) the Shingles have had the opportunity to seal down. Shingles that are installed in cool seasons may not seal until weather conditions are adequate to allow the seal down strip to activate and may be vulnerable to blow-offs and wind damage that would not be covered under this Limited Warranty. If conditions (a) and (b) have been met and during the Limited Wind Warranty Term the Shingles are damaged or blown off by wind up to the designated wind velocity for the product as a result of a manufacturing defect, TAMKO will process the Owner's claim in accordance with the sections titled "TAMKO Full Start Period" or "After the Full Start Period," whichever is applicable. Alternatively, TAMKO may, solely at its option, provide the Owner with a Labor Payment Certificate that may be used to pay the reasonable cost of manually sealing unsealed Shingles and replacing Shingles which have blown off and a Material Certificate for the number of shingles that have blown off. TAMKO is not responsible for the cost of any materials other than the replacement shingles (as provided herein) including, without limitation, underlayment, flashings, metal work, etc. TAMKO's Maximum Obligation is to provide a Labor Payment Certificate that may be used to pay the reasonable cost of manually sealing all of the Shingles on the roof. Shingles will be conclusively deemed to have been exposed to winds or gusts in excess of the designated wind velocity for the product if the National Weather
